# NATIONAL CANCER CONGRESS MALAYSIA

Bridging Gaps, Building Hope, Empowering Lives

## NATIONAL CANCER CONGRESS MALAYSIA 2026

### PROGRAMME AGENDA

Date: 4 - 6 September 2026

Time: 8:00 AM - 5:00 PM

Venue: Sunway University, Kuala Lumpur

Organised by:

**NCD**

## **BRIDGING GAPS, BUILDING HOPE, EMPOWERING LIVES**

The National Cancer Society of Malaysia and Sunway University are pleased to organise the National Cancer Congress Malaysia (NCCM) 2026, building on the success of NCCM 2024 and NCCM 2025.

Held from 4 to 6 September 2026 at Sunway University, Kuala Lumpur, NCCM 2026 will bring together healthcare professionals, researchers, policymakers and advocates under the theme, “Bridging Gaps, Building Hope, Empowering Lives.”

The congress will explore the full cancer care continuum, including prevention, screening, diagnosis, treatment, survivorship, advocacy and policy. Through plenary and scientific sessions, expert speakers will share research, insights and best practices to advance cancer care in Malaysia.

We invite you to join the discussions, exchange ideas and build meaningful connections at NCCM 2026.

## **THE COMMITTEES**

### **Steering Committee**

- Prof. Dr Rosmawati Mohamed
- Prof. Dr Abhimanyu Veerakumarasivam
- Prof. Dr Elil Renganathan
- Dr Noraryana binti Hassan
- Dato’ Dr Saunthari Somasundaram
- Prof. Dr Raja Affendi Raja Ali

### **Scientific Committee**

- Prof. Dr Felicia Chung Fei Lei
- Dr Lau Tze Pheng

### **Organising Committee**

- Kolonel Bersekutu (PA)  
Prof. Dr Murallitharan Munisamy

## KEY SPEAKERS

### **Dato' Dr Saunthari Somasundaram**

- President, National Cancer Society of Malaysia (NCSM)
- President-Elect, NCD Alliance (2025-2027)
- Co-Chairperson, NCD Malaysia
- Steering Committee, National Cancer Congress Malaysia

### **Datuk Dr Muhammad Radzi Abu Hassan**

- Former Director-General of Health Malaysia
- Chair, National Cancer Colorectal Taskforce, National Cancer Society Malaysia (NCSM)

### **Kol. Bersekutu (PA) Prof. Dr Murallitharan Munisamy**

- Managing Director, National Cancer Society Malaysia (NCSM)
- Co-Chairperson, NCD Malaysia
- Chairperson, Organising Committee, National Cancer Congress Malaysia

### **Prof. Dr Elil Renganathan**

| 11.00–11.15 am | Biology of Asian cancers<br>Speaker: Professor Datin Paduka Dr Teo Soo Hwang                                                                                |
| 11.15–11.30 am | Launch of the National Cancer Colorectal Task Force                                                                                                         |

## SEGMENT 2

Lecture Theatre 2, Ground Floor, Sunway  
University Main Campus

11.30 am–1.00 pm

Equitable Access to Functional Testing

- Understanding functional testing
- Understanding treatment sensitivity assessment
- Understanding the role of functional testing
- NCSM, RGCC and patient assistance programmes for functional testing

1.00 pm–2.30 pm

Lunch, Friday prayer, networking and booth exhibition

## SEGMENT 3

Lecture Theatre 2, Ground Floor, Sunway  
University Main Campus

2.30 pm–4.00 pm

Sustainable Access Strategy for Cancer Care:  
Means Testing in Malaysia

- Understanding equitable access
- Understanding means-testing strategies for sustainable solutions
- Understanding means-testing tools and benchmarking approaches
- Applying means testing through Malaysian Cancer Patient Assistance Programme pathways

# NCSM Breast Cancer Immersive Programme

Friday, 4 September 2026

Segments 1–3

Q-3-6 and 7, Level 3, Sunway University Square Campus

8:00 am - 9:30 am

Registration, breakfast, networking and booth exhibition

## SEGMENT 1

JC1, Level 1, Sunway University Main Campus

9.30 am–11.30 am

Keynote Plenaries – National Cancer Congress Malaysia 2026

- |                |                                                                                                                                                             |

| 11.00–11.15 am | Biology of Asian cancers<br>Speaker: Professor Datin Paduka Dr Teo Soo Hwang                                                                                |
| 11.15–11.30 am | Launch of the National Cancer Colorectal Task Force                                                                                                         |

## SEGMENT 2

Q-3-6 and 7, Level 3, Sunway University Square Campus

11.30 am–1.00 pm

Early Breast Cancer Detection and Treatment:  
Strengthening the Pathway

- Understanding the pathway from awareness, risk assessment and screening to diagnosis and staging
- Identifying delays between an abnormal finding, diagnostic assessment, referral and treatment
- Understanding surgery, radiotherapy and appropriate systemic treatment for early breast cancer
- Strengthening referral, multidisciplinary coordination and patient navigation for timely, equitable care

1.00 pm–2.30 pm

Lunch, Friday prayer, networking and booth exhibition

## SEGMENT 3

Q-3-6 and 7, Level 3, Sunway University Square Campus

2.30 pm–4.00 pm

Digital Navigation for Breast Cancer Through the National Breast Cancer Directory

- Introducing the National Breast Directory across the breast cancer continuum
- Mapping screening, diagnosis, treatment, rehabilitation, psychosocial support and survivorship services
- Reviewing breast cancer services across Malaysia, state by state
- Group assessment of service gaps, referral barriers and missing information
- Developing recommendations to strengthen the National Breast Directory

# PSYCHOSOCIAL SUMMIT FOR HEALTHCARE PROFESSIONALS

| TIME                                                                         | PROGRAMME                                                   | NOTES                                                                                                  |

# NCSM X Axios International Conclave

**A New Affordability Agenda:  
Complementing Reimbursement to Expand Access**

**Saturday, 5 Sept  
2026**

**10:00am -  
1:00pm**

**Lecture Theatre 2,  
Ground Floor**

## WHO SHOULD ATTEND

- Health economists and policy experts
- Public health professionals
- Private health insurers and insurance companies
- Pharmaceutical and healthcare industry representatives
- Private hospital and healthcare provider representatives
- Representative of the medical associations, including MMA, MPS, etc.
- ProtectHealth representatives
- Islamic charitable and zakat organisations

## CONCLAVE AGENDA

**01**

### **The affordability and adherence gap: Where are patients still being left behind?**

Where do existing reimbursement and financing mechanisms still fall short of patient needs?

**02**

### **What is working? Exploring alternative affordability and funding models**

Examples include patient support programmes, philanthropic funding, co-payment assistance, public-private partnerships, and other innovative approaches.

**03**

### **From promising models to sustainable solutions**

What is needed to move from individual programmes towards broader, sustainable approaches?

**04**

### **Looking ahead: Opportunities for collaboration**

Practical opportunities for stakeholders to work together to improve patient access.

**Outcome: A White Paper on Innovative Health Financing to expanding access to cancer and other noncommunicable diseases**

# NCSM × Himalaya Wellness Summit

Integrating Wellness into the Complementary  
Management of Cancer and Non-Communicable Diseases

Organised in conjunction with National Cancer Congress Malaysia 2026

Lecture Theatre 1, Ground Floor, Sunway University Main Campus

## ★ GUEST SPEAKER ★

**Mr K. T. Leo**

Himalaya Wellness Company

## WHY THIS SUMMIT MATTERS

-  Promotes whole-person care by integrating wellness into cancer and NCD management.
-  Showcases evidence-informed complementary wellness solutions from nature and science.
-  Offers practical, clinically relevant insights for everyday practice.
-  Supports professional learning and CPD for better patient outcomes.

## SUMMIT AGENDA – 5 SEPTEMBER 2026 (SATURDAY)

|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| 9.00 – 10.00 am     | Arrival, Registration & Networking                                                                           |
| 10.00 – 10.15 am    | The Himalaya Approach to Holistic Wellness<br><i>Bringing Nature, Science and Whole-Person Care Together</i> |
